

ELYSIUM

Dance For The Celestial Beings Tour

Artist: Elysium
Country: Denmark
Style: Tribal Goa Trance

Now you got the chance to book tribal trance artist Elysium Live on his Dance For The Celestial Beings Tour 2010/2011

From 1994 to 2000 Elysium was one of the top Tribal Goa artists playing Live across the World on the legendary Festivals and Clubs. Kristian Thinning Andersen, the person behind Elysium, has a big amount of releases on labels such as Nova Zembla, Dragonfly, T.I.P., BNE, Matsuri and Flying Rhino including six Albums and various singles and compilation releases.

The debut single "Project One" became a worldwide dance floor hit, with its ethnic tribal sound. The following debut album "Dance for the Celestial Beings" is considered one of the all-time Goa classic albums containing tracks such as "Keep It Cool", "Aliens" and "Illusive World". Before Danish Kristian formed Elysium, he had released a number of projects on labels such as legendary Belgian R&S Records. He has furthermore released music as Sheyba (with Jean Borelli aka Orion), Kailash (with Tsuyoshi) and many more projects.

Elysium is back with a 2 hour live performance playing new (taken from the forthcoming Album "Dance For The Celestial Beings Part II") as well as old classic tracks remixed and produced into today's high sound quality. Be prepared for a hypnotic Tribal Goa Trance live set.

Elysium Live Audio

A full download (wav/flac/mp3) is available on Elysium's website.
